2010 WINTER ISSUE...

TBT Family Dinner at Shady Maple, February 17th, 2010, details inside!

Greetings to the Tribe,

I hope everyone had an exciting holiday season. The Tribe has been busy since the last issue of the Bull News.

On October 24th the Tribe celebrated its 60th Anniversary. I would like to thank Lindsay Herr and Tom Schmuck who were instrumental in planning our 60th Anniversary Dinner. I hope that every TBT member enjoyed their commemorative pocket knife. I know as Scouters the knives will come in handy. The attendance was great, 76 chiefs, bull calves and their guests. If you were unable to attend the 60th Anniversary Dinner and you would like a pocketknife, or if you attended and would like an additional knife, some are still available. Contact Tom Scheaffer for a pocket knife at a cost of \$8.00 each.

On a rather damp note, I would like to thank the two individuals who came out in the rain to Camp Mack on November 14th. We spent about 30 minutes raking leaves off the grass out in front of the TBT Memorial so the area could be fertilized.

Our annual Christmas/Holiday Dinner was held on December 5th. Due to the weather I was unable to make it down to the event. I have heard that it was a great success. 92 people attended the dinner including Santa Claus who flew in to spend a few minutes with the Tribe. The toys collected this year went to the Marine Corps in Lancaster. Thanks to everyone for giving to those in need. Thanks to Wayne Wildasin and his Church Cook staff for giving the Tribe another great meal and comfort in Columbia United Methodist Church.

So here we are at the beginning of another year and we as a Tribe have accomplished so much together the past year. The tribe contributed over \$5,200 in necessary supplies to our two Scout Camps. We celebrated our 60th Anniversary, our membership has increased and more attendance at events has happened. I would like to thank Lindsay Herr again for his dedication and leadership through this past year. I look forward to serving the Tribe this year as Chief Bull Thrower.

With 2009 in the rearview mirror we need to look ahead at how we can expand our accomplishments in 2010, the 100th year in Scouting in the USA. I hope to see you in February at the Tribal Family Dinner.

Yours in Scouting and the TBT,

Chief Techa Bull, Matthew R. Blantz

2nd Annual Scout Camp Ride

Wow! What a beautiful day for a ride!

Arriving at Camp Bashore, participants were given the opportunity to tour the Camp, check out the World War Two memorabilia including a WW II Motorcycle, a Boy Scout Motorcycle, set up for camping with canoe rack and canoe, back pack and tent, a U.S. Marine Motorcycle and of course to check out 60 plus other motorcycles that were there for the ride. Hot coffee, tea and donuts were also provided.

The Tours started departing a little after 11 am. Seven groups were lead on a scenic ride to Camp Mack accompanied by Charlie Kern on his WW II Motorcycle (he was dressed in full WW II uniform). Everyone arrived safely at Camp Mack. There were guided tours at the camp, a live band playing rhythm and blues, a Chinese auction (with a good variety of items for bid), and a Hot Pulled Pork BBQ Dinner with coleslaw, potato salad, pudding, baked beans and plenty of drinks were provided.

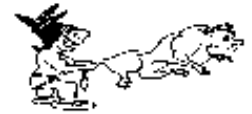

It was a good time for all who attended. A great ride followed by a great meal. Most important, all the proceeds raised during the ride go to benefit the Scout Camps. In these hard economic times this is especially appreciated by the Camp Rangers. It gives them extra funds to maintain the Camps for the Scouts, above and beyond their limited budgets.

I would like to thank all who participated in this Benefit Ride. Due to your generosity, we able to donate \$1,000.00 to each Camp. Plans are in the works for the Third Annual Scout Camp Benefit Ride. It will be held on the first Sunday in October again, so mark your calendar. I hope to see all of you there.

Yours in Scouting and biking, Ed Carvell
